Section 1. GENERAL PROVISIONS

- A. Full-time employees covered by this agreement are FLSA-exempt professional appointees, ~~and are appointed with the expectation that they will have a full-time involvement in scholarly pursuits.~~ BTD
- B. The workweek for full-time exempt appointees is normally at least forty (40) hours, with the emphasis placed on meeting the responsibilities assigned to the position, on making progress toward their professional goals, and on demonstrating their research and creative capabilities, rather than on working a specified number of hours. Required work schedules must be reasonable and related to the research needs. In recognition of the professional exempt status of employees, assigned work schedules provide the flexibility to meet research goals and to occasionally allow a schedule of less than 40 hours in a week.
- C. Full time employees covered by this agreement do not receive overtime compensation or compensatory time off.
