The concerns of international researchers are important

This is how they compare to answers gathered from the bargaining survey

This is what we currently have and what we are changing in our contract

Section 1: Support and advice on visa issues by ISSO, referral to immigration attorneys.

Section 2: Permission to work remotely If the employee is stuck outside the US for immigration status reasons

Section 3: Holding a position open for 60 days until a current/prospective employee can arrange their immigration status.

Section 4: Guaranteed paid time off for employee to attend visa and immigration proceedings.

Section 5: Providing the longest duration sponsorship of visa, and covering all costs to ensure employee remains in good immigration standing.

This is what we currently have and what we are changing in our contract

Section 6: Assistance for employees who are barred entry to the USA despite having all the required paperwork to enter.

Section 7: Completion of work authorization in a timely fashion and providing of regular related updates.

Section 8: Applying tax treaties at employees discretion.

Section 9: Creation of International Employees Assistance Fund in the amount of \$100,000/year. Used to reimburse expenses relating to immigration that affect the employee's ability to work.

Let's discuss the first bargaining offer

We will split into **breakout rooms** to do the following more effectively:

- ***comment*** on issues that were raised
- ***discuss*** any concerns we did not address so far
- provide ***feedback*** on Article 12
- ***suggest actions*** that can be taken in preparation for bargaining
- ***report back!***

What do you think about these changes?

What do you think about the proposed changes?

I think that they are good

I agree with most of them but not all

I do not think that they are enough
